1. Call Meeting to Order
2. Preliminary Matters

- a. Roll Call

Present: Brent Hartman, Justin Willis, Burton McKensie, Tim Martin

Absent: Robert Stephens, Saadia Aurakai, Lindsay Hansberry

Staff present: Bryan Meyer

Town Council Member present: Stephanie Miller

- b. Approval of Agenda

- c. Public Comment: Public comment included an inquiry from Ryan Hitchler into Central Park progress, which has seemed to stop. Leslie Clark provided an update that the park's planned opening is still set for July. There have been some delays due to rain, but walkways and courts have been installed, the shelter and restrooms take longer and are waiting on testing results. Anne Hitchler requested updates on status to which Leslie responded that any of the town staff can answer by email or phone.

3. Updates

- a. McCaslin trail agenda item update added by Leslie Clark – requested parc to assess a letter of support for Superior to apply for a grant for a paved path on the western side of McCaslin. Justin motioned to support the letter, seconded by Martha Siegmund. Voted yes by Tim, Martha, Burton, Justin and Brent. Motion passed. PARC will sign the letter to support the grant request.
 - b. BRS update on pool survey results and pool project. Mary Schambach from consultant Barker Rinker Seacat joined the meeting to provide updates on public engagement and feedback. Jordan Hayes the town project manager also joined. Results from the meeting included feedback

wanting a longer season, more lighting, larger kitchen, classes/lessons, lockers/cubbies, pool cover, showers, bike racks, pulley training system. Concerns included depth of water, construction schedule, making the pool smaller or losing the bench. Reviewed current concept plans for indoor and outdoor areas at both North and South pools. PARC had feedback that the updates tailored very specifically to the swim team. They support a kiddie pool with zero depth entry and a waiting area for the tennis courts.

- c. Update on Town 15 Rezone Ordinance (Leslie) – update on Town 15 June 3rd planning commission meeting to rezone this area to open space recreational zoning – this will then go to town council on June 23rd.
- d. Working group needs for Pool and Community Park projects -PARC to meet late in May to discuss additional feedback for BRS.
- e. Recap of Wildflower Park Walk – Justin, Burton and Brent recapped: Town maintenance needs – understanding when/how things are done so they can be prioritized as needed. Shade structures and potential for shade over existing exposed places. Potential repurposing of bocce to a water feature if possible. Discussion on woodchips issue – ideally would convert to pour in place but project is massive to balance with other park needs. Would be handy to be able to check out items such as basketballs, slacklines, etc available for people to try out new games or activities at parks.
- f. Summer / Fall Events PARC Representation Planning. June PARC meeting to be replaced with Civic Center grand opening. Fourth of July booth coverage to be determined by email.
- g. Marshall Fire subcommittee update (Saadia) – no updates shared this meeting.

4. Discussion Items

- a. Other updates from Town Staff and/or Town Council Liaison. Community Park update timeline from Bryan, the RFP request went out – A to Z recreation was selected based on their concept design. Public engagement opportunity at Civic Center grand opening on June 18th. Proposed to finalize the design this fall to have it in place for next spring 2026 – will be presented to town council at May 27 meeting. Civic Center grand opening will serve as the Parc June 18 meeting. Great engagement with the block party trailer. Adult softball league launched with 6 teams playing on Thursday nights beginning May 29th.
- b. Summary points of meeting. Public comment included the request of updates regarding Central Park. PARC provided written support for the McCaslin walkway grant. BRS provided an update on the pool renovations town engagement, feedback results and the latest concept plans. Leslie provided an update on the Town 15 rezone to open space recreation. The committee recapped their walk of Wildflower Park and enhancements, to bocce, woodchips, and maintenance requests and potential equipment rental along with their engagement for the upcoming Community Park renovations. Bryan provided additional updates on softball and block party trailer.
